# **CANINE REPRODUCTION FOR DOG BREEDERS**

**Presented by Dr. Melissa Goodman DVM**

**August 25, 2018**

**Millersville University**

**Bolger Conference Center at Gordinier Hall**

**40 James Street**

**Millersville, PA 17551**

### ***About the speaker:***

Dr. Melissa Goodman is a 1979 graduate of the University of Pennsylvania, and a 1983 graduate of the University of Florida College of Veterinary Medicine. After 5 years in small animal practice she joined International Canine Genetics, Inc. where she received specialized training in small animal reproduction and became Vice President of Veterinary Services. Dr. Goodman is Board Qualified in the American College of Theriogenology (the veterinary specialty encompassing canine reproduction); is a past board member of the Society for Theriogenology; and maintains a specialty practice in the reproduction of dogs and cats in suburban Philadelphia, PA. She has authored numerous publications in the field of canine reproduction for both veterinarians and dog breeders, and is a regular speaker to both groups. Dr. Goodman exhibits and breeds Golden Retrievers; is active in conformation, field, agility and obedience events; is a past Director of the Golden Retriever Club of America, and a past Chairman of the GRCA Health & Genetics Committee.
