Entering

- **Everyone is strongly encouraged to pre-enter promptly, as we expect both trials to fill prior to closing.**
- Please use a separate form for each event. You will need two forms to enter both the AM and PM CAT.
- Enter your dog's AKC number (PAL/ILP and Canine Partners numbers). If you do not have a number, please visit the AKC web site at: https://www.akc.org/canine_partners/enroll.cfm for a Canine Partners number (for mixed-breeds), or <http://www.akc.org/pdfs/ilpform.pdf> for a PAL/ILP number (for purebred dogs).
- **Pre-Entry Pricing: Mail the completed form and check made payable to "LANCASTER KENNEL CLUB" to the field test secretary by the pre-entry closing date: May 4, 2018.**
- **Day-of-Entry Pricing (if available):** Bring the completed form and **CASH** the day of the trial, by the closing, paying Day-of-Test Entry pricing on each dog.
 - You will be expected to have complete info on your dog for each entry.

Incomplete entries and entries submitted by email CAN NOT BE ACCEPTED.

Regular ENTRIES WILL NOT BE ACKNOWLEDGED BY MAIL or EMAIL.

General Information

- Dogs must be one year of age or older on the day of the test.
- Dogs not present at the time of roll call will be scratched after a 15-minute grace period. Bitches in season, lame dogs and dogs judged unfit to compete will be excused with entry refunded. Spayed or neutered dogs may be entered. Roll call for field committee and workers will be prioritized.
- Ordering for CAT runs will be at the discretion of the field committee, typically on an "is waiting and ready" basis. Priority for field committee dogs running will be given to free them up to work the Tests.
- The field committee reserves the right to alter the course plan as required by weather and/or field conditions on the day of the trial.
- The field committee reserves the right to bar known aggressive dogs and handlers from the event site.

- There will be a \$5 fine assessed for any loose dog not taking part in the course in progress, or for anybody caught not picking up after their dog or leaving garbage on the field.
- NO ONE will be allowed on the field without the express permission of the Field Chairman, except the appointed field committee.
- Dogs may run the course with a flat collar only. No Martingale collars, choke chains, prong collars or harnesses.
- Anybody exhibiting unsportsmanlike behavior will be excused from the field and may be subject to further disciplinary action.
- Control of dogs strictly enforced, on leash at all times except when running.
- Clean up and dispose of all trash.
- Please pick up all dog feces and remove with trash or put in receptacle provided at site.

For First Time Coursers and Handlers

- WHAT ARE PRE-ENTRIES? Pre-Entries are Entries made before the closing date. If your entry is mailed in time yet due to the failure of the postal service it is not received in time for the Test Secretary to have it at the Event, then you will have to fill out day of entry forms on the day of the trial, if space is available. Always have your dog's registration materials with you when you go to a test. No further entries will be accepted once the trial has filled, including pre-entries.
- WHAT ARE "DAY OF" ENTRIES? - Entries accepted after the closing date for pre-entries are considered Day of Entries. "Day of" are only available if the trial has not filled. "Day of" entries are usually more expensive because the Field Test Secretary (FTS) must take extra time to add those entries to the record sheets the morning of the test, which delays the start of the trial. If you are entering on the day of the test, you MUST have your completed entry to the Test Secretary BEFORE Roll Call.
- SLIP LEADS - There is a type of collar for coursing called a slip lead, which is worn only to control the dog prior to release. The collar drops away as the dog is released to chase the lure and they run without anything around their necks that could be dangerous.
- INSPECTION - Dogs will be inspected by a designated Inspection Committee consisting of at least two persons who are members of the Field Committee and who shall inspect each entered dog for lameness, fitness to compete and female estrus (in season). Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the Inspection Committee, any entry found to be lame, unfit to compete or in season shall not be allowed to enter and the applicable entry fees shall be refunded.
- ROLL CALL - The time, prior to the commencement of coursing, by which you are supposed to have your dog ready for inspection by the Inspection Committee.

At roll call the dog is examined for lameness, and bitches are examined to see if they show any evidence of being in season. After roll call the list of passed hounds is taken to the Field Test Secretary so that the run order can be prepared.

- RUN ORDER LIST - This is a posted list of the running order for the dogs participating in the event. Always check the record sheet after the Roll Call to confirm your dog's Run Order.
- WARM-UP, COOL-DOWN—It is highly recommended that all dogs running are walked out for about 10-15 minutes prior to and after their runs to get them warmed up and to cool them down. The cool-down is very important because it helps prevent lactic acid build-up in the muscles which leads to soreness.
