From the Editor:

The months seem to be passing with alarming speed. It seems like just a few weeks ago we were buried under several feet of snow and now, magically, the temperature soared to 70 degrees and the daffodils are in full bloom! The Celtic Classic was this past weekend and a round of applause to everyone who helped to make the show a success. I hope others shared the good fortune that I did in the rings.

I want to remind everyone of some key club events coming up in the next few months. Our 66th annual Red Rose Classic is May 16. Be sure to contact Lori Wright to find out about volunteering. We can't do it without you! Be sure to consider an ad...the forms are in the newsletter.

We also have the awards banquet and annual election coming up in June. There is a flyer enclosed with details and sign up information. We're providing this extra early this year...so no excuses for not attending. I don't think our election will have the same level of fervor as the recent government escapade, but your vote is important! A list of candidates and resumes is included for your review.

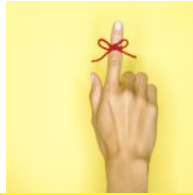

Be sure to complete the awards application and return it by May 10. We want everyone to share in the celebration of new titles!

Those sighs of a dog! They go to the heart so much more deeply than the sighs of our own kind because they are utterly unintended, regardless of effect, emerging from one who, heaving them, knows not that they have escaped him!

Dog Breeds (s):

Siberian Huskies

Year Joined LKC:

1997

General background in dogs (including national and regional specialty club memberships, championships and other titles achieved, litters bred, etc.)

Dogs have always been an important part of my life since childhood, always having a special connection with them. A friend had a Siberian Husky, through which I grew to respect and admire the breed. I became completely infatuated with this dynamic, independent breed over 35 years ago now, and got my first Siberian Husky. I am a member of the Siberian Husky Club Of America (SHCA), and the International Siberian Husky Club (ISHC). The Barynuk Siberians have produced Champions up to and including the latest 2009 Champion, and have achieved numerous BOB/Group/BISS/National Specialty/and Eukanuba Invitational Awards. I personally feel extremely blessed to have had a “team concept” with those who have had Barynuk Siberians and have shared so many exciting moments with special friends made through this wonderful Breed, over the years. This camaraderie with friends made has been the driving force in why it has been a joy, through all those “thrills of victory” and “agonies of defeat” ... to continue with this sometimes volatile and political “Gentleman’s Sport”.

What do you have to offer the Lancaster Kennel Club, if elected ?

Initially, I joined our club because of a “camaraderie” with members met at the LKC’s Annual Eye Clinic to which I would take my Siberians. I have been involved with our club since I joined, learning so much from many warm, intelligent, and enthusiastic club members not only about all the different aspects concerning our Point Shows, Match Shows, Meetings, etc, but the hard work involved before, during and after these events. The experience gained as Show Chairman, and as an LKC Board Member through the years, especially in the capacity of President and Vice President, was invaluable to me personally, and I would, of course, bring this experience with me as anyone else who has served in those capacities will bring as well. What I personally feel I have to offer our club, is that “team concept” spirit ... something that hangs exhaustedly with me. I have retired from the Department of Defense and will now have more time to devote to other things, if I am needed. If I am needed, I will be proud to serve again on the Board of the LKC.

For 26 years, I have been a purebred dog enthusiast involved in showing, breeding and entry level man-trailing. My husband Robert and I started in 1984 with our first bloodhound. We lived with six bloodhounds over the years. I co-bred three litters of bloodhounds with Anne Legge of Legacy Kennels. Four of our hounds were champions and one finished with all majors. We earned 11 Best of Breeds, 22 Best of Opposites and one Group placement. One earned her EEC in man-trailing. In addition to the bloodhounds, we owned a Clumber Spaniel and an Australian Cattle Dog. Both were shown, but not finished. Several of our puppies were placed in man-trailing homes and one was placed with a police department in Massachusetts.

If my memory is correct, I joined the Lancaster Kennel Club in 1985. We lived out of state and I let my membership lapse but was reinstated in 1989 when we moved back to Lancaster. I served as newsletter editor for the LKC many years ago. I am a member of the Colonial Bloodhound Club and the American Bloodhound Club since 1985. I have served in the following capacities for these breed clubs:

Colonial Bloodhound Club

Newsletter editor
Trophy chairperson

American Bloodhound Club

1994 National Specialty chairperson
1996 NE Regional Specialty chairperson
Treasurer
Hospitality chairperson man-trailing event
Participant in the filming of the AKC Bloodhound Breed video
ABC Bulletin magazine- wrote feature articles

Starting out in the dog show world was easy back in 1984 before marriage and children. Bob and I got married in 1985 and our first of three children was born in 1988. I remained active in the sport, had a second child in 1992 and chaired the 1994 ABC Specialty in October while 8 months pregnant with my third. Things slowed down after that and gradually I got involved in my children's activities leaving less and less time for the sport of dog showing. Fast forward to today and I am sad to say we lost our last bloodhound along with our beloved cattle dog several months ago. We have not had a house without dogs in over 25 years and we miss the companionship. I am currently researching several breeds and plan to show again. With many years of experience breeding, showing and serving breed clubs in various different capacities, I am confident my contributions to this club would help advance the goals of the Lancaster Kennel Club. I look forward to being given the opportunity.

Dog Breeds (s): German Shepherd, Cardigan Welsh Corgi

Year Joined LKC: 1992

General background in dogs (including national and regional specialty club memberships, championships and other titles achieved, litters bred, etc.)

I belong to both the German Shepherd and the Cardigan Welsh Corgi parent clubs. The Delaware Valley Cardigan Welsh Corgi club of which I'm a board member, The Berks County Dog Training Club, and of course, Lancaster Kennel club. I'm the obedience show chairman for both of our spring shows. I've been a board member for New Life Assistance dogs, which was run under The United Disabilities umbrella. I was a 4-H leader (dog obedience) for many years and served on the board of directors for regional Roundup Days.

My passion has always been dog training. I have earned many obedience titles for my dogs, as well as dogs owned by other people. I honestly don't know how many titles I have earned. My proudest achievement has been training and breeding assistance dog for New life Assistance Dogs in Lancaster, Canine Serve Us dogs of Conestoga, Pa. and Paws Abilities in Ohio. I was one of the founding members of New Life Assistance Dogs.

I'm happy to say many of our German Shepherd puppies have gone into assistance or therapy dog programs, as well as in home Assistance dogs for autistic children. Just recently I have had requests from two different people for a replacement Shepherd from us as their original assistance dog has become too old to work.

I have finished one Belgian Shepherd which I handled myself and have pointed both German Shepherds and Cardigan Corgis. Although my love has been with the obedience ring I would like to have one of my German Shepherd's finished someday. Currently, we have three of our Cardigan's that are being shown, two owned by other people and one that I co-own. The Cardigan National is in Gettysburg this April and I'm heading the eye clinic.

What do you have to offer the Lancaster Kennel Club, if elected?

A commitment to stay the course, to help our club remain a active and viable club. As we all know there are many challenges to the dog world today. I would like to see our club continue the traditions the previous boards and Presidents have set, and support the "Sport of Purebred Dogs".

I know we need to continue to encourage new members, and listen to what our seasoned members tell us. We need to continue to educate the public about dogs and encourage our members to uphold high standards in their own breeding programs.

I would like to see our club continue to educate the membership not only about the challenges we face from Animal Rights activists and new dog laws, but to keep us updated on medical news.

I know we have members who are interested in the politics of the dog world, from new decisions from the AKC, as well as shaping policy for new dog regulations. I would like to encourage this so we may all be informed.

Most of all, I would like to see our club be something we all enjoy, where we can come together to make new friends, learn something new, and get involved with our dogs.

a. Agility: Committee found new location in Palmyra., "In The Net". Has potential to double our entries. The Board set a date for a special meeting to discuss this since the information needs to be to AKC the same day as the regularly scheduled Board meeting.

**Special Board Meeting
February 22, 2010
Borders Bookstore, Lancaster, PA**

Call to Order: 7:30 PM

Topic: Agility Trial Re-location and purchase of ring gates.

Present were: Marybeth Acker, Joy Ellwanger, Bernie Ferry, Gail Hillard,
Tammy Selka, Jeff Clinite, Deb Eckert, Hank Hillard, Irene Lehan,
Ann Byrne, MaryLou Strayer

Committee submitted a proposal for a 2 or 3 day trial at "In The Net" in Palmyra. With moving to this indoor location we should be able to double our entries for both days. Also, there is great potential to add a third day to our trial. The date is available with AKC. Looking at increasing the rental from \$400 to \$3000 but with the added entries we will still be able to make a substantial profit. Discussed doing a 5 day "cluster". According to the Agility committee, the agility clubs do their own thing and a cluster would not be something that would work. We originally thought that we would have to purchase ring gates for this facility but found that our equipment supplier will rent them to us each year for a nominal fee. Motion to move the Agility Trial to "In The Net" by Jeff Clinite second by Deb Eckert. Motion carried. Discussed the possibility of adding a 3rd day to the trial this year at the new location. MaryLou was concerned with the amount of volunteers for the 3rd show and doesn't think we should do it at this time. Others concerned about adding a 3rd day at this new location too soon. Thoughts were give us a year at this new location and then consider adding a 3rd day. Motion to hold a 3 day Agility Trial this year by Gail Hillard second by Hank Hillard. 3 yes 5 no Motion died.

Adjourned 7:55 PM Ann Byrne second MaryBeth.
