President's Message

Happy Fall to each of you! Time certainly does fly doesn't it? There has been so much happening these last few months, I hope this finds each of you in good health and in good spirits. We have had some unusual weather hit our area with many of our members experiencing at least some temporary changes in their daily routines. There have been so many positive, exciting happenings as well. Our Responsible Dog Owners Day (RDOD) held at Isaacs in Lancaster on first Friday was a huge success. So many local residents, including the Mayor, stopped in to see the many different breeds our members brought to this event. There were many compliments from those attending the RDOD. Many participants are hoping this event will continue through the years, and there were comments from so many who were "enjoying the spirit" the LKC members brought to the Friday evening festivities! Our Match Show, brought folks together for a fun day with their dogs. Despite the humidity that day, we were very fortunate with the weather. The Juniors Clinic and classes received glowing reviews from participants and was something that even local residents who just dropped in, were totally excited about. There were discussions and laughter throughout the entire event, with many folks complimenting the Match Show Committee. Another exciting upcoming club event is our Agility Trial which will be held Saturday, October 1st and Sunday, October 2nd. Please contact Hank Hillard (717-314-2975) if you have any time to help either of these two days. Our agility folks work so hard to keep these events on our calendar...they need our help, even an hour here or there will be very much appreciated. This year our annual December General Membership Meeting/Christmas Party will be held on Friday, December 16, please mark your calendar accordingly. This will hopefully be more convenient for those working during the week. Thanks to everyone for the teamwork involved in making our club the very unique and special All Breed Kennel Club it has continued to be over the years. Looking forward to seeing you soon..... Barry

Sunday, September 4, the LKC held its Annual Match Show at Chickies Rock Day Use Park. The event was well attended. In addition, many juniors participated in our Junior Showmanship Clinic led by Jerome Elliott.

Many thanks to our hard-working judging panel: Dominic Dibalsi, Jerome Elliott, Tammy Selka, Tom Taylor, Earl Acker, and Robert Wolf, as well as to the many volunteers who helped to make this show a success!

Marybeth Acker, Match Show Chair
Kim & Eric Steinman, Match Show Co-Chairs

A Note from the Heart:

As you know, I spent some time in the hospital. Well, the highlight of spending eight days there, was having the white boxer, “Gavin”, that I bred and donated to United Disabilities Service in Mary Bard’s memory come visit me three different time. Gavin is in tight with the Hershey Bears and has even drank (water) from the Calder Cup when they won!! He is well known at the Giant Center....Gavin brought Clark, an eight month yellow lab to visit as well. They got all the nurses & aides attention.

Responsible Dog Owners Day (RDOD)

On Friday, September 2, the LKC held a RDOD in Lancaster City at Isaac's Deli. The function was well received by the public and well attended by the LKC membership. Many thanks to all of you that participated in the fun. The LKC presented Corporal Bolton & Ronin with a donation of \$2500 to purchase Ronin's kevlar vest. He, Ronin, modeled his new vest and did a demonstration for the audience on bomb sniffing. We also presented a check to the Red Rose Search & Rescue Team in the amount of \$500. We are looking forward to doing this event again next year.
