**Hello To All,**

**This will be our last formal hard copy "snail mail" LKC Newsletter. Thank you Tammy Selka for all your hard work, as well as previous Newsletter Editors, who usually are wearing multiple LKC Hats and somehow manage to accomplish many important feats at the same time, for our Club. We, your fellow Club Members, salute you for your tireless efforts ... which may seem to go unnoticed ... but, you are noticed ... and greatly appreciated !! Rainbear Mahoney has volunteered to be our first "Online Editor" ... sending out our LKC Newsletters to each of our email addresses. It will be very important for each of you to keep your email address up to date with any changes. Please double check your 2012 LKC Roster to insure we have your current, accurate email address.**

**It is hard to believe that almost 10 months have flown by since our last Fiscal Year began. Our Kennel Club has accomplished so much in that time period. Our Annual Picnic at Longs Park in August, was a lot of good fun and good food. Our Annual Match Show in September was an incredible success last year, highlighting numerous Juniors, attending to learn about the sport of Showing Dogs. Our RDOD at Isaacs Deli, downtown Lancaster on First Friday, drew many people from the area. The Responsible Dog Ownership Day is sponsored by the AKC and is an excellent opportunity for our Club to meet, greet, and educate the community by showing them our dogs and answering an array of questions. At this event, our Club also presented checks to assist two separate, and extremely worthwhile working canine entities in our community. Our October Agility Trial at "In The Net" in Palmyra was a huge success with many complements from both participants and spectators.**

**In October, our Club passed "enhanced Bylaws" which were minor changes, but additions that were especially in sync with state of the art communications, etc. December proved that our Annual Christmas Party, as had been previously reported, was a huge funfest ... so much laughter in one evening ! This year, our Club has helped put on an unbelievably productive Celtic Classic Dog Show at the York Expo Center. We have once again presented Scholarships to worthy students. Our Club Members entered and won Second Prize at the Park City Center's "Shop For A Cause" Event ... an extremely notable win right behind the USMC Group ! Our Annual Red Rose Classic once again gave both exhibitors and spectators a hugely enjoyable day with many stopping by our LKC Education Table for breed information. Our fast approaching June 13th, Annual Banquet, Election, and Meeting will again be held at the Leiderkrantz in Mount Joy. This year, our Annual Picnic will be held on August 5th at Chiques Day Use Area in Columbia, where our Annual Match Show has been held and will again be held, on September 2nd.**

**There were so many major accomplishments in this short period, of which NONE could have been accomplished without our members taking time out of their personal lives to lend a hand. Thanks to each of you for giving of yourselves to educate your community, and enable so many to love and understand their canine family members a little bit better. You really do have much to be proud of ! I, too, have been proud to be a part of this endeavor and hope to see you at our Annual Banquet ... or if not, real soon. My best to each of you and your families, Barry**

Dog Breed(s): Border Collies

Year Joined LKC: 2001

**General Background in dogs (including national and regional specialty club memberships, championships and other titles achieved, litters bred, etc).**

I am a member of the Adoption Committee and a foster parent for Mid Atlantic Border Collie Rescue headquartered in Chestertown, MD. I have been active in Border Collie rescue for 10 years. We do not breed.

We have been training our personal dogs since the mid-1970s in Obedience and competed in Obedience with our two older Border Collies.

I have been co-chair of the Education Committee for the past eight years and have co-chaired the last three years for the Lancaster RDOD and the past two years with the joint Lancaster/Lebanon RDOD.

I have also served on the Picnic Committee and other ad hoc committees when asked.

I served the Lancaster Kennel Club as Treasurer for three years and have served as the Treasurer of the Celtic Classic Dog Shows for the past two years, with one year remaining in my term.

**What do you have to offer the Lancaster Kennel Club if elected?**

I would like to help to continue to help activate the membership of the club in providing continued education opportunities to the general public and help to move the club forward in adopting "business" practices in the handling its finances and budgeting for events.

Respectfully submitted,

Ann L. Byrne

## Kalais Cavaliers

The love of dogs has been shared to my sister and I from our mother and great grand mother. They have shown me how to show, train, groom, breed and most of all enjoy the love and companionship of dogs.

In 1993 I was introduced to the Cavalier King Charles Spaniels after the tragic loss of my Cocker Spaniel. My Cavalier was a Tri-color named Dickens who I worked in obedience and showed on a limited basis. My second was a female Blenheim named Chloe, which I finished her to Championship. From that point my life has been about the dogs. They have given me the opportunity to travel and meet such a great group of people/friends. I have several home bred Champions as well as handling others to their Championship.

I am a member in good standing with the Cavaliers King Charles Spaniel Club, USA (CKCSC,USA). I held 2 terms on the BOD of the Cavaliers of the Northeast(CNE) and have been their prize and ribbon chairperson for 10yrs, supplying the 9 shows a year that the CNE hosts. Just recently helped with a fund raiser for the club(calendar raffle). I've been the chairperson for the November Specialty for the past 8 yrs. Also a member of the Cavaliers of the Delaware Valley.

My goal while on the Board of the Lancaster Kennel Club would be to help educate the public on why to purchase from a reputable breeder as well as health of our dogs. Making low cost clinics more available to owners and breeders.

Thank You,

Kim Hess

Cynthia Erb-Starkey

120 Redstone Drive

York Haven, PA 17370

I live near Lewisberry with my husband, 4 English Cockers and a Brittany. My first pure breed dog was an English Cocker I purchased in 1996. The breed ring was where I first started in 1997, then obedience in 2001 then agility in 2005. I have titles on 6 dogs in conformation, obedience and agility in AKC, UKC and ADPT. The clubs I belong to are Lancaster Kennel Club, York County Dog Training Club, Delaware Valley English Cocker Club and English Cocker Spaniel Club of America.

I have helped at agility trials, obedience matches and was Chairman of the ECSCA Club agility trial this past April. I have been the Volunteer Coordinator for the Red Rose Classic and the Celtic Classic for Lancaster for the past 3 years.

I hope to bring an open mind and new ideas to the Club.

Jen Lazowski

I have been requested to run for the Lancaster Kennel Club Board of Directors in 2012. I was active in the club in the early 2000's serving on the LKC Board and volunteering at many events. I stepped back from the club when my children's activities and sports began to demand much of my time. I recently volunteered at the Celtic Classic and The club's recent not for profit event at Park City Mall. At those events, I was very impressed with the camaraderie and enthusiasm of our members. I look forward to getting involved with the club once again regardless if I get chosen for the Board.

I got my first Rhodesian Ridgebacks in 1991. I thoroughly enjoyed showing him and caught the bug. I started breeding in 1997. I have bred 16 champions showing many of them myself and have had 2 specials successfully campaigned. I am a member in good standing of the Rhodesian Ridgeback Club of the United States and currently serve on our Ethics Committee.

## Board of Directors Resume for Marybeth Acker

Hello, most of you know me. For those who don't. I am Marybeth Acker, 4<sup>th</sup> generation PURE bred show dogs. I have been exhibiting my own home bred show dogs for 25 years. I breed Tibetan Spaniels and Tibetan Terriers. I also exhibit Scottish Deerhounds and Tree Walking Coonhounds. I show both AKC and UKC. I have had top dogs in both registries. Just this March I finished my first AKC Grand Champion in 15 shows, 11 judges and 7 major wins. And yes, I am 30 this year and it would be my second term on the board.

My vision for my term on the LKC Board of Directors is as follows. I want to bring the May point show back to Lancaster County. I feel that having both Point shows and the Agility trial outside the county is not doing enough for LANCASTER county. The May show has shrunk to a size that we can easily bring it back to the Lancaster area. I would also like to expand our outreach into the FSS (AKC Foundation Stock Services) breed community. The FSS people are very devoted to gaining full AKC status for their breeds. LKC can assist and help by hosting more events geared towards the FSS guidelines. Such as our September Match show, meet the breeds, and the May Show.

If you have any questions or would like to chat, feel free to drop me a line at [marybethacker@me.com](mailto:marybethacker@me.com).

I am looking forward to serving again on the Lancaster Kennel Club Board of Directors.
