

The Lancaster Kennel Club would like to thank Dr. Melissa Goodman, DVM of Veterinary Reproductive Services Philadelphia for an informative and enlightening Canine Reproductive Seminar on August 25.

This was the first in what we hope to be a yearly seminar series hosted by Lancaster Kennel Club for the benefit of the Responsible Pure Bred Dog Breeder and Veterinary Professional.

We also would like to thank all those who attended for their support and know that they left the seminar well informed with information for the benefit of our breeds. Photos from the seminar follow.
